6. DID I SAY PROGRAM PLAN?

- A program plan is a list of what you will be teaching your child – includes what curriculum you will be using for

Language Arts, Math, Science, Social Studies, and other options for example: Art, Bible, Music to name a few.

- Don't worry, you can get guidance from your teacher monitor.

7. FINAL THOUGHTS

- The Homeschooling community is vast – you can find them on Facebook like Calgary and Southern Alberta Homeschoolers so you have a lot of options to reach out to a community.
- You are not alone! We encourage you to ask questions and we are here to support you.
