

Hope Christian School is an online Christian alternate faith-based school within the Prairie Land Public School Division. Teachers applying for this position will be teaching from their own homes so a good reliable internet connection is necessary. Teachers will not need to relocate in order to fill these positions.

We are looking to fill the following teaching position in our online program:

- We are looking to fill a **0.75 FTE** position in senior high school teaching live synchronous classes. This teacher will be teaching Science 10, Chemistry 20, Chemistry 30, Registered Apprenticeship Program, Special Projects, HCS3010 as well as doing marking for some of the optional courses.

In applying for these positions please include the following:

- An explanation of how the teacher came to have faith in Jesus Christ and how does that influence their daily life
- Letters of reference &/or names of references who can testify about the applicant's Christian faith and beliefs
- Letters of reference &/or names of references who can recommend the applicant based upon teaching abilities
- Applicant's able to demonstrate proficiency, education and experience in operating in an online learning environment would be given preference. A proficiency on both PC and Mac computer platforms is also desirable.

Applications and relevant documentation can be emailed to secretary@hopechristianschool.ca.
