ACCOUNT CARRY-OVER FORM

According to Government of Alberta policy, parents are to be given the opportunity to carry over any of the unused portion of the Home Education funding from this year. If interested, please return this form with your registration for the new school year. The form must be in no later than September 30.

Date:

I/We make this written request that Hope at Home carry over any money for the 2021-2022 government funding which remains in our account to the 2021-2022 school year. We are also aware that if the carry-over amount is not used within two school years, it will revert to the Alberta Government if we have not expressed otherwise in the Parental Declaration Form.
